My dear Popaji,

Received your letter only a few days back. It was really nice to hear that you have bought a plot at Jallundar. We are also brassy in - what you hear every day on the radio. The news itself are quite illustrative these days. As for the Pakistan news, Surinder's battalion seem to be involved in the fighting in the Jessore sector. Pakistan is really having a tough time. War is, it seems, inevitable, it is only a question of time. I think this is the right time when we can really teach them a lesson so that they don't raise their head ever again.

As far as my coming on leave is concerned, it is only possible after the chics are over.

Please pay my respects to Mummy and
Bhabiji and love to Bobby and Keena.
With regards

Yours Loving Son
Mohan
